

Log codes

Fix Me! A1 proofreading not yet effective for this page. In the meantime, you can ask any questions on the [forum](#).

The journal is a mandatory accounting document listing the company's exchange operations with its environment.

Using the screen

Access: via Tools→Accounting settings→Classes and accounts: Accounting classes tab

You can directly enter the accounting journal codes and labels in the table.

When you have several bank accounts and you want to differentiate each account with a different journal, leave the journal code BQ in the list of journals, but configure each journal code of each account in the [corresponding file](#).
